Purpose

I desire to work in a professional environment utilizing my massage therapy, teaching and marketing and sales skills. I am experienced extensively with school teaching, workshops, group seminars, retreats, public speaking and travel. I have obtained advanced certification in the fields of Medical massage and Sports massage. I am nationally certified in massage and am currently licensed in Georgia.

Positions Qualified and Willing to Consider

Director, Manager, or instructor of a Spa, Medical Massage rehabilitation center or school and or consulting and marketing coordinator for group retreats and workshops in the USA and Costa Rica

-Education and Skills

B. S. in Political Science and Administration, Georgia Southern University 1975

B. A. in Education, Columbus State University, 1996

Certification, Blue Cliff College of Massage Therapy, Mobile Al. 2004-2005

-Nationally certified by NCBTMB. Trained in chronic pain and trigger point therapy ; approved provider for Continuing Education, NCBTMB

-Currently serving as one of (4) Governor Appointees on the Georgia Massage Therapy Licensing Board. This board oversees all of the licensing applicants and discipline needs. I oversee massage schools in the state of Georgia.

-Currently being nominated for board member nationwide for the National Certification Massage and Bodywork (NCBTMB), handling Over 90,000 therapists.

Approved team evaluator for ABHES (accreditation review for technical schools and massage programs)

-Professional speaker, bilingual with Spanish. Knowledgeable about business, corporate and legal issues involving resorts, spas and therapy centers.

-Experienced with political and government entities and relations. Knowledgeable about lobbying procedures for legislation related to massage therapy, spa operations and human trafficking involving prostitution within illegal establishments posing as licensed businesses.
